

Regional Training Hub Southern Queensland

Zoom Educational Series

The UQ Regional Training Hubs are cultivating a 'rural medicine community of practice' through our Educational Zoom Series. These 1-hour interactive webinar style meetings aim to provide an inter-professional, vertically integrated learning environment for students and clinical teams in rural and remote areas. Take advantage of these accelerated learning experiences, rural-context case-study presentations, panel member and audience discussions.

Sessions are held Wednesdays 1pm - 2pm

Public Health	12 February
Nephrology: CKD	18 March
Gynaecology	13 May
Indigenous Health	15 July
Paediatrics	26 August
Cardiology	14 October

Register for the 2020 Series
