

EMERGENCY MEDICINE

The Australasian College for Emergency Medicine (ACEM)

To become an Emergency Medicine Specialist, you will need to apply for fellowship with the [Australasian College for Emergency Medicine \(ACEM\)](https://www.acem.org.au/). Fellowship is a 5-year (full time) training pathway.

For trainees commencing 2022 onwards, the pathway consists of four training stages:

- Stage 1: 12 months full time equivalent in an adult / mixed Emergency Department (ED)
 - Stage 2: 12 months full time equivalent in ED
 - Stage 3: 12 months full time equivalent in ED
 - Stage 4: Minimum 6 months full time equivalent in an ED accredited for Stage 4, and 6 months full time equivalent of elective rotation (either ED or non-ED) in a Stage 4 approved facility.
- 6 months full time equivalent in non-ED to be completed anytime throughout Stages 1-3.
6 months full time equivalent in Critical Care to be completed anytime throughout Stages 2-4.

For existing trainees, the pathway consists of:

Basic	Year 1	Provisional Training - 12 months FTE (6 months ED, 6 months ED or Non-ED) in an Accredited ED
Advanced	Years 2 & 3	Advanced Training: 48 months FTE including: <ul style="list-style-type: none"> • 6 months FTE in critical care; and • 6 months FTE non-ED time • 6 months discretionary • 6 months Early Phase Advanced Training
Advanced		
Advanced	Year 4	Advanced Training: <ul style="list-style-type: none"> • 6 months Early Phase Advanced Training • 6 months Late Phase Advanced Training
Advanced	Year 5	Advanced Training <ul style="list-style-type: none"> • 12 months Late Phase Advanced Training

Additional requirements are that registrars:

- Must complete minimum 6 months in a single adult/ mixed major referral hospital.
- Must complete minimum 12 months in an adult/mixed non-major referral Emergency Department.

Entry requirements/pre-requisites

- Hold an Australian or New Zealand primary medical degree.
- Have full general medical registration.
- Have citizenship, permanent residency or the necessary VISA to undertake training.
- Completion of PGY2.
- Completion of 6 month (FTE) placement in one Emergency Department in your PGY2 or above, completed within 12 months of your application.
- Completion of at least 3 x 8 week (minimum) placements in disciplines other than emergency medicine. At least one of these placements must have been completed in PGY2 or above.

Application and selection process – [how to apply](#)

Prospective trainees need to apply for selection into the FACEM Training Program directly through the College, see the [Application Information Guide](#) for further detail.

Once selected into the FACEM Program, registrars can secure a position either directly through an accredited facility recruitment process or apply for positions through the [RMO campaign](#).
