

# NEPHROLOGY

## The Royal Australasian College of Physicians (RACP)

To become a Nephrologist, you will need to apply for fellowship with [The Royal Australasian College of Physicians](#). Fellowship is a 6 year (full time equivalent) training pathway consisting of 3 years (full time equivalent) Adult Internal Medicine – Basic Training followed by 3 years (full time equivalent) Advanced Training in Nephrology.

|          |               |  |
|----------|---------------|--|
| Basic    | <b>Year 1</b> | <b>Adult Internal Medicine - Basic Training:</b> 36 months (full time) consisting of:<br>- 24 months (full time) core training (including 3 months general and acute care medicine and 12 months in medical specialties).<br>- Maximum 12 months non-core training which can be replaced with additional core training.<br>- At least 12 months at a Level 3 Teaching Hospital and at least 3 months outside of a Level 3 Teaching Hospital. |
| Basic    | <b>Year 2</b> |  |
| Basic    | <b>Year 3</b> |  |
| Advanced | <b>Year 4</b> | <b>Advanced Training in Nephrology:</b> 36 months (full time) consisting of:<br>- 36 months (full time) core training.   |
| Advanced | <b>Year 5</b> |  |
| Advanced | <b>Year 6</b> |  |

## Entry requirements/pre-requisites

### Basic Training

- General Medical Registration with the Medical Board of Australia
- Have a minimum of 20 weeks experience in general medicine or medical specialties (earliest entry is PGY2, although PGY3 is preferred).
- Secured a Basic Training position at an accredited training hospital or health service.
- Discussed your application and received approval to apply for Basic Training from the hospital (or network) Director of Physician Education (DPE). Please note that DPE approval is limited to trainees that have been formally selected onto the network.

### Advanced Training:

- Completion of RACP Basic Training (including written and clinical examinations) is a pre-requisite to commencing Advanced Training.
- Secured employment in an appropriate Advance Training position.

## Application and selection process – [how to apply](#)

The [Queensland Basic Physician Training Network](#) provides centralised recruitment, selection and allocation of RACP registered Basic Physician Trainees (BPT) intending to commence basic physician training in Queensland. Applicants must apply through the [RMO campaign](#) to secure an employment contract for a position in an accredited facility. Once you have secured an Basic Training position, you must prospectively apply for approval as per the [RACP Progression through Training Policy](#).

New and current trainees need to [apply for Advanced Training](#) each year with RACP. To proceed to Advanced Training, applicants can secure an Advanced Training position at an accredited training site by applying through the [RMO campaign](#) to the [Queensland Nephrology Advanced Training Pathway](#). This is a state-wide process in Queensland and is supported by the Queensland Health Renal Heads of Department with advanced training accredited positions.

Once you have secured a training position, you must prospectively apply for approval with RACP as per the [Progression through Training Policy](#).
